

What we do together

Members of each parish are always welcome at services, events and meetings in the other parishes, but as an LPA there are a number of things in which all three parishes co-operate

- Services of Reconciliation are celebrated each Advent and Lent
- An Annual Day Retreat is held primarily for Readers and Extraordinary Ministers of Communion, but all are welcome
- Confirmation is celebrated annually for all Year 9 students
- All three priests are Governors at the Infant and Junior Schools
- All three priests share Chaplaincy work at all three Schools
- At Social Events arranged by one parish, members of other parishes are welcome to participate
- Sunday Mass times in the three parishes have been co-ordinated in order that in an emergency two priests can celebrate the weekend Masses in all three parishes

The purpose of Local Pastoral Areas is to support the viability of local communities. I see co-operation and sharing of resources as central to this purpose. It will, of course, require a willingness on everyone's part to plan and take decisions conducive to the well-being of the whole area.
